<0> **BONNEVILLE BAND:** Measure 4 inches above the top of the jeans.

<1> **WAIST:** Remove belt and measure around the belt band.
< 2 > 3” BELOW WAIST: Measure around the hips at a point 3 inches below the band, making sure the back is also 3” below.

< 3 > HIPS: Keep feet close together and measure at the widest part of the hips.
< 4 > **INSEAM**: From the top of the inseam at the crotch to one half inch above the floor while wearing boots.

< 5 > **OUTSEAM**: From the bottom of the band, measure to one half inch above the floor while wearing boots.

< 6 > **THIGH**: Measure at the largest part of the leg near the crotch.

7 > **7” ABOVE KNEE**: Locate a point 7 inches above the middle of the kneecap, then measure around the leg at that point.

**NOTE**: For RANGERS or COMPETITION BREECHES remove boots and measure #4 & #5 to tip of ankle bone.
< 8 > **KNEE:** Measure around the middle of the kneecap.

< 9 > **CALF:** Measure at widest part.

< 10 > **ANKLE:** Measure over your riding boot if the pants are to be worn over the boot.

**Note:** If the leather pants are to be worn inside the boots, then measure around the smallest part of the ankle just above the ankle bone.
< 12 > CROTCH SEAM TO FRONT BELT BAND: Locate seam at the crotch and then measure to the bottom of the pants belt band in the front.

< 13 > CROTCH SEAM TO BACK BELT BAND: Locate the seam at the crotch and then measure to the bottom of the pants belt band in the back.
FRONT TO BACK THROUGH THE CROTCH:
Measure from the bottom of the jeans belt band in the front thru the crotch area up to the bottom of the jeans belt band in the back.
