

How To Measure: VESTS

- 0 BUST DARTS:** For women, measure from the top shoulder seam to the fullest part of the bust. Then, measure from the side seam beneath the armpit horizontally to the fullest part of the bust line.
- 1 CHEST:** Measure at fullest part of the chest. Make sure the tape does not slip down in the back.
- 2 WAIST:** Measure at the largest part of your stomach, near the belly button. The tape in the back will be at the small of the back.
- 3 HIPS:** Take the measurement at the bottom of the belt band.
- 4 FRONT LENGTH:** Measure from the middle of the shoulder seam to 3 inches below the bottom of the pants band.

How To Measure: VESTS

5

SHOULDER WIDTH: Locate the tips of the shoulder bones with the middle fingers while loosely holding the tape. Then arch the tape upward near the base of the neck as the distance between the ends of the shoulder bones is measured.

6

BACK LENGTH: Measure from the base of the neck to the bottom of the pants belt band.

SHOULDER SLOPE: Match the slope of the shoulders to the sketch on the measurement chart.
